## Prospectus 2022

## ABOUT US

William Educational Trust was founded on 25th Dec 2006, by Late Mr. M Sulaiman, a great visionary with a strong passion for promoting contemporary education for the future generations. Hon Secretary Mrs. Jameela S and Late Mrs. Zainabi Sulaiman are the pillars of the institution. With the objective of guiding students to a prosperous and meaningful career in life, the first campus was inaugurated in Jayanagar on June 2007 and it was named as Williams Degree College. The initial courses offered were B.Sc., BBM, and B.Com followed by PUC and BCA courses. The first batch of students passed out in 2009. Starting with a small group of 9 students, the college has now grown to more than 600+ students within a span of 15 years. The positive response from the student community kept the flag of the institution flying high and the success in the final exams showed the commitment of the management and the staff for the betterment of the students in all aspects.

## OUR MOTO

"Knowledge is Light" is our motto. We at Williams Group of Institutions envision a life-oriented education that empowers the students through a humanizing and liberating process, to be agents of transformation and development at different levels of life. Enabled and empowered, they respond pro – actively to concerns and conflicts inherent in today's reality, especially those of persons who are unable to

## MISSION

Our mission is to uplift the younger generation students with a rewarding learning experience and helping them to achieve their personal and professional goals in a relaxed and friendly environment to facilitate leadership among the students enabling them to proactively involve themselves in social and economic liberation by providing qualitative, integral, vocational and career oriented education.

## VISION

- To promote value based education.
- To contribute to the society by being socially conscious and responsible.
- To synergize the under privileged students by providing the affordable quality education to build professional career.

The Library at our college offers you access to printed items across all subjects and several periodicals, an extensive and rapidly expanding collection of study. The library aims at best services to the needs of the users. The library is open until late in the day to enable student's access it whenever they require.

## Laboratory

There are well equipped Physics, Chemistry, Biology, Language and Computer Science Laboratories for acquiring experimental skill for future research. The facility of all this Laboratories has been designed in a modern way to meet higher standards.

## Physics Lab

There are wide spacious Physics laboratories PUC (Students), which provide the students with the practical experience and knowledge. The lab is equipped with all the necessary instruments to carry out all the experiments as prescribed in the syllabus by the PU Board.

## Chemistry Lab

The Chemistry Department has a team of well trained staff, which provides individual attention to the students in both theory and practical classes. Our lab is a store house of all the required chemicals and apparatus for conducting various experiments. The students conduct the experiments under the supervision of the efficient staff members.

### Note: Safety Signs and Symbols

Students are recommended to follow Safety Measures during conducting experiments. (As given by the instructor)  
Follow instruction given from the Instructor

## Computer Lab

The computer lab at Williams International College is designed for the needs of the student both academically and career wise. Every student is provided with individual system to experiment upon. All the systems are equipped with the necessary software and packages, and are up to date with the current technology and generation. We encourage students to design and code software and help them participate in national activities. The advancement in the field is enormous and to keep track of the same, Internet facility is provided to the students under the supervision of competent lecturers. All the computers in the laboratory are equipped with internet facility.

## Biology Lab

The Biology department has all the accessories like overhead light fittings, refrigerator, centrifuge, hot oven, and human skeleton and so on and so forth. Charts, floppies, visual aids, aquarium with ornamental fish etc., provides the right atmosphere for the future Doctors, Microbiologists. A team of competent lecturers guide the students for both the annual and CET exams.

Field trips are organized once a year for the students and practical knowledge is imparted through visits to fishery stations, horticultural research institute, Indian Institute.

## Transport

The College is located with very good connectivity to all the public means of transport, besides this, management of the college is keen to operate exclusive bus service to students and staff. This exclusive facility is made available to both students and staff at nominal charges.

Note: Students should follow proper timing so that they can reach on time and attend class regularly.

## Industrial Visit

We at Williams International College to make experience of real world apart from study visit different industries under guidance of a Management faculties organizes industrial visits every year for our students to gain practical knowledge and full awareness about industrial practices. A few of our industrial visits Britannia, KMF, Mysore Sandal, Mother Dairy, Bosch, Coca-Cola, VRL Logistics, TVS, Rail wheel factory etc.

We handhold every student to excel in curricular, co-curricular and extra-curricular activities to inculcate corporate work culture and entrepreneurial qualities, we organize industrial visits regularly.

## Cultural Events

The college provides a platform for students to exhibit and develop their talents. Each year, a wide variety of artistic and other creative talents events are conducted. We encourage a students to not only rejuvenate the mind and body, but to bring out hidden talent and nurture it to add a new dimension to a students overall well-being. Students are also provided opportunities to win more accolades in intercollegiate competitions. Celebrations of Theme Week, Ethnic Day, Talent Day

## Canteen

Canteen is not just the place where you go to eat. Especially in colleges and institutes of education this place is an open arena for debate, argumentative sessions on different issues, at Williams International College canteen is located within the campus, it serves hygienic food, cold and hot beverages. Canteen services will be provided to staff and students at nominal rates to make sure they get value for their money. We have a variety of food items to suit the taste of students and food they are fond of.

Canteen can be otherwise referred to be a cafeteria. Moreover the whole canteen session is fun because it's much related with sharing and caring contribution.

## Class rooms

The college Classrooms is equipped with Technology & Events provider, equipment, furniture, maintenance services and access management for general use of classrooms.

The development of communication and information technology and their amalgamation offers exceptional opportunities in teaching-learning methodology. Information Communication Technology (ICT) can change the nature and procedure of teaching and learning condition. Collective activity, adaptability, and comfort in ICT bolstered condition empowers both teacher and students to access and share thoughts and ideas in various formats.

Each classroom is equipped with Smart Classroom features. The college is entirely technologically empowered. There are 24\*7 internet and Wi-Fi facilities on the campus for the better working of the staff and students. Every one of these assets is used for smooth teaching-learning process.

## Hostel Facility

As most out-station students have concerns about accommodation, we provide all the basic facilities for the students who seek admission from outside Bangalore. There are separate hostels available for girls and boys. Understanding the emotional void of being away from home, we have ensured our hostels have caring hostel wardens and spacious and well ventilated rooms.

## Counseling Centre

We, at Williams International College offer a unique and friendly counseling service inside the college campus, dedicated to both students and parents regarding the courses offered. We offer counseling both for national and international courses. Students who wish to study abroad can avail this facility by making an appointment with us. A separate team is setup to make sure that we deal with all student related issues.

## Education Loan Facility

Most of the major public sector and private sector banks provide educational loans on liberal terms to students depending on the earning potential of their parent/guardian. We have made a good rapport with such bankers to ensure swift processing of such loans. On payment of the first year fees to college, a bonafide certificate will be issued along with the estimated cost for completing the course. The loan approval and the repayment schemes are subject to the terms and conditions of the concerned banks. We can only facilitate appropriate documents, but in no way take liability for such arrangements.

## Scholarship

The college assists the students for a number of Government as well as non- Government Scholarships for continuing their further studies. We also assist in donor scholarship for needy students. The management offers scholarships to students for their excellent performance in studies as well as cultural and sport activities. Every student at Williams International college is ensured of achieving this if right attitude, dedication and focus are given to studies

## Sports and Cultural Activities

The College takes all effort to ensure that the students are exposed to sports and cultural activities. We organize and encourage our students to take part in college and inter-college competitions and provide special support for state level and national level competitions. And also sports are seen as an integral part of education, at Williams International College we encourage both sports and sportsmanship. Over the years, the College is proud to have produced state level sportsmen and women.

## National Service Scheme (NSS)

The National Service Scheme (NSS) Unit has been very active in conducting a variety of social service camps and activities throughout the year. It also organized a National Integration Camp in the month of April. In coordination with Bruhat Bangalore Mahanagar Palike, Munireddy Palya Nagar the NSS Unit organized a “Swachh Bharath Abhiyan - NSS camp” (Clean & Green programme) . To commemorate the Birth Anniversary of Sardar Vallabhbhai Patel a “National Unity Day” was organized.

## Youth Red Cross Wing (YRC)

The Youth Red Cross unit of our college has always played an active role in spreading medical and health consciousness among our students and the general public. The unit conducts a mega blood donation campaign every year to repeat its primary belief that donating blood is equal to giving life. The YRC also conducts crash courses in first aid for the benefit of our students as well as the staff. It conducts medical check-up camps for staff and students.
